Hi Cara,  
Not sure what is meant by safety lights? Are you referring to street lights?

Last weekend I attended an event for Mike Bonin's City Council candidacy and met Ms. Cara Robin ([310-804-6854](tel:310-804-6854) / [310-645-7017](tel:310-645-7017) [cararobindesign@hotmail.com](mailto:cararobindesign@hotmail.com)).

She was interested in getting some safety lighting installed on Kittyhawk Walk and I had thought that perhaps the WTC BID could assist her. After looking at the area, her interest is remote from the BID area and I cannot assist in any way.

I thought I'd refer her to you for anything the City can do.
